### BUDGET HIGHLIGHTS

- An expenditure appropriation of \$245,000 is included in the 2007 Budget, which is an increase of \$55,000 for a new investment advisory contract.
- Administrative expenses for the earnings on investments were separated from investment earnings and are now budgeted in this new non-departmental, org unit 1989 (formerly 1900-6025).
- A 1997 internal audit recommended a Request for Proposal (RFP) or bid process to contract with investment advisors to make decisions about which investments best meet the County's needs. The RFP for these contracts was re-

issued in December of 2005. In 2006, the Treasurer's Office entered into a service contracts with Dana Investment Advisors, Inc., Marshall & Ilsley Trust Company, and JP Morgan Chase. The earnings on investments are budgeted in a separate non-departmental account, org unit 1992.
